ABOUT FIELD DAY.

Protests Are Considered—Championship Cup.

The Intercollegiate Athletic Association met in annual session at Willamette University at 3 o'clock Friday afternoon. In the absence of President Forrest, of Portland, L. H. VanWinkle presided at the meeting. C. W. Keen, of Eugene, acted as secretary.

The Monmouth team entries were accepted under suspension of rules. They failed to enter at the proper time. The order of the events as proposed by Willamette was adopted. Some man, of Willamette, who was also late in entering the mile walk was also admitted. After transacting some routine business, the association adjourned.

EXECUTIVE COMMITTEE.

The executive committee of the Intercollegiate Athletic Association convened at the Willamette Hotel at 8 o'clock last evening. The committee consists of one delegate from each of the colleges. The charges that had been filed against Byars, Scott and Babcock of Willamette with regard to qualifications for entering the contest, were disproved and these gentlemen will do honor to Willamette at the fair grounds this afternoon. Burnett, of Corvallis and Roseburg, of Eugene, were also admitted, the protests against them also having been disproved. The committee also decided to have the championship cup for 1896 awarded the winning team at the opera house this evening. This will prove an enjoyable number to the already excellent program that has been prepared for the occasion.

Late last night the State University at Eugene, filed a protest with the executive committee whereby they wished to debar Sonnemann, of Willamette, from participating in the mile walk. In order that the protest might be considered, the committee adjourned to meet at the same place at 11 o'clock this forenoon. At that time Mr. Sonnemann was present with his proper credentials and the only thing the committee could do was to allow Mr. Sonnemann a place in the mile walk.

THE EXERCISES.

With a gentle south breeze and the heavens covered with light, fleecy clouds, the temperature was all that could be desired for state field day. The severe rain storm Friday morning benefited rather than injured the track, which was certainly in fine condition.

Early this morning an unusual stir on the streets indicated something unusual about to happen. Two excursions were run from upper river points by the steamers Ruth and Hoag each of whom brought down about 200 excursionists. The Gray Eagle came up from Newburg with a large delegation, from the Pacific college.

The grand stand was well filled. There was a good delegation from the O. A. C. at Corvallis and the yellow ribbon was much more prominent than any other.

Shortly after 1:30 the Corvallis cadets and Company I. O. N. G. of Salem marched upon the track and the review lasting about one hour was given, but the decision was not given in time for this issue.

Suit for Furniture.

The suit of D. W. Lichtenhaler, guardian of Mrs. Grace G. Pice and Josie L. Parrish, children and heirs of Jennie L. Parrish, deceased, vs. Mrs. Mattie A. Parrish, executrix of J. L. Parrish, deceased, is being tried before County Judge Hubbard today.

The man who eats because he is hungry is, thus far, on a level with the brute. The man who stops eating the moment his hunger is appeased is the wise man. Nature needs no more food than she calls for. Continued excess brings about indigestion or dyspepsia, with loss of flesh, strength, sleep, ambition and mental power, and an accumulation of aches, pains and many dangerous local maladies. The stomach now can do nothing alone. We must appeal to some artificial digested food which can also digest other foods. That is to say, we must use the Shaker Digestive Cordial. The effect is prompt and cheering. The chronic pain and distress ceases. Appetite presently revives. Flesh and vigor gradually come back, and the sufferer recovers. But he must be careful in future. A trial bottle for 10 cents.

Laxol is the best medicine for children. Doctors recommend it in place of Castoria Oil.

Direct From New York.

The New York Racket store has this day received a large line of all kinds of goods direct from New York, which they are marking at their usual close profits. In the first place we get goods at closer prices for cash, and then on that close price, we place a lower rate of profit than usual because we can afford to as we sell for cash only, and are not compelled to add additional percentage for losses.

Call and see us, we sell the "Star 5 Star" shoes, also a fine line of clothing, underwear, shirts, hosiery and a thousand other things, all useful.

Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better and after using three bottles was up and about again.
